

ARLINGTON HEIGHTS

WE WANT TO HEAR FROM YOU!

ARLINGTON HEIGHTS

WE WANT TO HEAR FROM YOU!

Thursday,
March 12, 2015
6:00 to 8:00 p.m.

Public Works Department
222 North Ridge Avenue
Arlington Heights, IL 60005

The Village of Arlington Heights is moving forward with the creation of a comprehensive bicycle and pedestrian plan, which will outline the community's vision for bicycle and pedestrian travel and define policies that help achieve that vision. This plan will incorporate current best practices and innovative approaches; emphasize connections with neighboring communities and regional destinations; and address safety, access, and mobility issues for cyclists and pedestrians.

Please join us on **Thursday, March 12, 2015** for a visioning workshop, the next step in creating the Arlington Heights Bicycle and Pedestrian Plan. At this workshop, you will learn about key findings and help improve travel throughout the Village.

This is a great opportunity to share and discuss the future of Arlington Heights with your family, friends, and neighbors. Join us and spread the word about the **March 12** meeting — everyone is welcome!

To learn more about the project, visit <http://cmap.is/lta-arlington-heights-bike-ped> or contact Berenice Vallecillos at bvallecillos@cmap.illinois.gov or 312-386-8623.

In partnership with

Chicago Metropolitan
Agency for Planning

Sponsored by the Federal Highway Administration, Federal Transit Administration, U.S. Department of Housing and Urban Development, Illinois Department of Transportation, and the Chicago Community Trust.

FY15-0078
